REQUIRED SCHOLARSHIP RENEWAL CRITERIA

(If you can't complete this section, it may not be wise to reapply.)

With your initial application, you signed a Covenant Agreement that you would remain active during the school year and on your breaks in church-related activities of some sort. "Active" should be understood to mean that one has participated in the organized worship services and other ministries of the Hollywood Hills United Methodist Church on a regular basis during the past year. If you maintained a journal of your activities during the year, this section should be easy to complete. Along with maintaining a 2.0 or higher GPA and completing a full-time load, this section is most crucial to the renewal of your scholarship. Please list and briefly explain each of the activities you engaged in this past year that are church-related (e.g., active in Wesley Foundation, attended HHUMC, served in Meals for the Hungry program, helped organize a Young Adult Class at HHUMC, coordinated the Snowfest Project, volunteered to help with the Youth program, played in Bells or Choir, went on Mission trip to ..., etc.).

ACTIVITY:	EXPLANATION (Including about how many hours and when):

You may submit either an official college transcript or a form you printed from the school Internet site (if it shows school, your name, the course dates, credits, GPA, and grades) and get it to the Church office in an envelope labeled "To the Kaebnick Scholarship Committee."

SPECIAL CONSIDERATIONS

Below or on a separate sheet, describe any special circumstances that you feel the committee should consider such as financial hardship, family situation or other special conditions of which the committee should be made aware.

I understand that the Kaebnick Scholarship selection committee encourages me to be a loyal and participating member of this congregation and my campus congregation with "my prayers, my presence, my gifts and my service."

I understand that as an applicant for a renewed Kaebnick Scholarship, I must schedule an interview in person with the Scholarship Committee at HHUMC during May or June.

I understand that photos or movie clips in which my face is recognizable may be used for publicity, etc. unless I send the committee, in writing, a letter indicating that no photos or movie clips in which my face may be recognized may be used.
